

The
Orrmont
ESTATE

FLORIST INFORMATION

The Orrmont Estate was built as a private residence (and still is), so please treat the house and grounds as someone's home. We really do appreciate it. If you need anything or have any questions, please just ask, our names are Tim and Janelle. If you don't see us, ring the doorbell at the front door.

Vehicles must stay on the driveway at all times, if you are having trouble backing, let us know, we would be happy to move your vehicle for you.

Not all trailers and trucks can drive under the portico at the side of the house, if you have a trailer or tall truck, please note the size before pulling through.

There is a push cart on the front porch for your use, please return it when you are done.

After you have unloaded, please move (or let us move) your vehicle so we can keep the "circle" clear for other vendors unloading.

There is no air conditioning anywhere, however, the restrooms are generally cool and there is a small table on the women's side you can leave bouquets and such, if you prefer.

There is a utility sink outside on the left side of restroom building if you need water.

If you are leaving vases or other items that need returned to you, please make sure the bride knows to take them to return to you.

If you plan to come back and pick something up (arch, etc.) please schedule that with us before you leave or call us (778-1021) to schedule a pick-up time as the gates are closed at all times unless we have an event.

The bride and groom have a block of time for their wedding, however, you can come outside of that block of time; we just need to know in advance when you are coming so we can let you in the gates.
